After entering the building, walk until you get to the far side of the atrium, turn right just past the escalators. Half way down the hallway there will be a set of glass elevators.

We are on the 4th floor

The glass elevators are typically locked to our floor. If you press floor 4 and the doors do not close, the elevators are locked. If this happens, please call us at 612-378-0748, and we'll come meet you.
